

**Change & Continuity
Over Time Essay
CCOT**

Purpose:

- To evaluate your ability to analyze historical changes and continuities that have shaped events, social, political, economic developments in history and ability to gauge your analysis of global processes.
- This is really a high-level analysis of history.

THE CONTINUITY AND CHANGE ESSAY

- This essay question deals specifically with analysis of continuities and changes over time covering at least one of the periods in the course outline. It addresses, for example, technology, trade, culture, migrations, or environment. The continuity and change over time questions require analysis of process and explanation of causation with specific examples.

What you need to be able to do:

Change

- Recognize it as it occurs in history.
- Identify & Understand the causes of change

Continuity

- Recognize factors which remain the same throughout an entire period
- Identify & Understand factors which allow this to continue

Changes:

- Must discuss, utilize concrete detail and analyze changes that occurred relevant to the prompt and correctly!
- If the prompt discusses command terms (social and political) you need to focus on political and social changes.
- If your prompt is more vague, you need to think of aspects to base your analysis
- → by the end of the course we will have regional CCOT charts!

Continuities

- The prompt also asks you to address continuities, generally these are patterns or cultural tendencies that remain stagnant for years and years.
- Example: Think of role of women, religions, philosophies or clash/conflict between the social classes.
- You need to have concrete detail to back up your continuity however.

IMPORTANT INFO

- IN order to completely get all credit for CCOT, you need to address the starting point. In order to analyze changes, you must discuss what it was like before. However, pay attention to time period.
- Thus, given the prompt, your essay may require starting point, transition, ending condition OR
- Starting POINT → Ending condition.
- Pre-Write is mandatory for this reason.

The Directions

Directions: You are to answer the following question. You should spend 5 minutes organizing or outlining your essay. Write an essay that:

- Has a relevant thesis and supports that thesis with appropriate historical evidence
- Addresses all parts of the question
- Uses historical context to show change over time and continuities

You must identify the change AND make it clear why that change occurred.

NO → Prior to 1948 the Jewish people had no homeland. In 1948, Israel was established.

YES → In the Early 20th century, few people saw a need for the establishment of an independent Jewish state. However, once the world realized the massive genocide of Jews that took place during World War II, support for the establishment of Israel began to grow.

WHAT DO YOU NEED FOR A QUALITY CCOT?

- Thesis should define areas of change and areas of continuity. (2 sentences!)
- Address both continuity and change! Everyone forgets to do continuity.
- Analyze the cause of changes. Use the word “because” a lot.
- Discuss “global context”—connect to world processes and change.

A FEW BIG HINTS

- Draw a timeline to help conceptualize the era and events you will talk about.
- Identify what the situation was at the beginning of the era—a baseline. Cite a fact about this.
- Identify what the situation was at the end of the era—a finish line. Cite a fact about this.
- Try to explain the process of change—how and why did it happen?

OTHER WAYS TO THINK ABOUT CCOT

- You can think about the CCOT as discussing whether change outweighs continuity, or vice versa.
- You can think about the CCOT as focusing on the cause and/or effects of a primary change in the era.
- You can think about the CCOT as covering 2 or 3 chapters from the textbook—think about how the situation changes.
