Brief Explanation of Evidence:

Our five year strategic plan which began during the 2014-2015 school year has positioned us well to move our district forward under a shared vision of excellence for all students. Decisions that are made concerning our writing program take into consideration the Four Pillars of the Strategic Plan. The evidence attached includes the Strategic Plan, progress reports given to the Board of Education in January and June of each year, as well as how our budget supports the Strategic Plan.
